# What steps do I have to take to successfully enroll in my new plan?

This transition will be an easy one if you review the steps below and gather the requested information prior to your consultation. Doing so ensures you will be accurately and efficiently enrolled in the plan that best fits your needs and budget.

## STEP 1: Upon receipt

- Review this welcome kit
- If you are Medicare eligible, be sure you have enrolled in coverage for Medicare Parts A and B. You must have already enrolled in both in order to enroll in healthcare coverage with Mercer Marketplace 365+ Retiree. Contact the Social Security Administration at [www.ssa.gov](http://www.ssa.gov) or by calling 1-800-772-1213 (TTY 1-800-325-0778) if you have not yet enrolled in Medicare Part B.

## STEP 2: Call now to schedule

### Consult with a licensed Benefits Counselor

Go online at <http://retiree.mercermarketplace.com/comcastnbcu> to schedule a one-on-one consultation with a licensed Benefits Counselor. From the navigation bar at the top of the page, click "Schedule a Consultation." if you prefer, you may also call to schedule. It is important to act NOW to select your date and time. Don't wait until the end of your enrollment period approaches before making this appointment; doing so may leave you with a short amount of time in which to make a decision.

## STEP 3: Before your consultation

### Preparing for your consultation

Start by keeping track of your individual healthcare coverage needs. Providing correct and complete information will help your Benefits Counselor analyze your health plan coverage specifics:

- Use the worksheet on page 15 to list your important healthcare providers and prescription drugs; you may enter your prescription

drugs online by visiting <http://retiree.mercermarketplace.com/comcastnbcu>.

- Think about plan features that are important to you.
- Prepare any questions you may have for your licensed Benefits Counselor.
- Have your Medicare insurance card handy, but do not mail or fax this information.
- Gather any documentation that pertains to a Power of Attorney, if applicable to you.
- Go online to visit our website: <http://retiree.mercermarketplace.com/comcastnbcu>. Our online tools are easy to use, and utilizing them can help you feel more comfortable with this process and also reduce the amount of time you spend on the phone with your Benefits Counselor.

## STEP 4: Conduct the consultation

### Explore your new plan options when you consult with your licensed Benefits Counselor

Please take this opportunity to utilize your Benefits Counselor and his or her health insurance expertise. He or she will present you with all of your options so you can feel confident about the decision you are making.

## STEP 5: Enroll in a plan

**Enroll in your new plan(s) with your licensed Benefits Counselor up to three months before or during the month you turn 65. You have three months after the month you turn 65 to enroll, but you may still experience a gap in coverage based on Medicare and carrier deadlines.**

When you are ready to enroll in your new plan(s), you will:

- Have your Benefits Counselor complete your enrollment over the phone.
- Provide information to set up payment for your premium.

- Be sent any forms that are required; please review, sign, date, and return promptly.

#### **STEP 6: Begin coverage**

Begin coverage in your new plan(s).

#### **STEP 7: After enrolling in your new plan(s)**

After your effective date, you:

- May be contacted by your new insurance carrier in order to verify your enrollment; please do not ignore this request, as doing so could delay or nullify your coverage.
- Will receive your new insurance cards by mail from your insurance carrier within 2-4 weeks after your enrollment has been processed; please review them for accuracy.

#### **STEP 8: After enrolling in your new plan(s)**

##### **Set up your RRA**

Utilizing your RRA is an easy process, but you must take action by:

- First, paying your premium up front to your insurance carrier.
- Then, submitting a claim for reimbursement from your RRA.

**You must submit an eligible RRA claim annually to remain eligible.** Failure to complete this step will result in permanent loss of eligibility for the RRA.

The enclosed RRA Instructional Guide provides greater detail about the entire process you should follow in order to efficiently submit your claims and receive reimbursement for eligible premiums.

#### **STEP 9: Ongoing**

Store this welcome kit and contact information in an easy-to-find location so you can contact us whenever a need arises.

Our Benefits Counselors are licensed insurance advisors; they are not salespeople who are compensated by commission. They receive no incentive for helping you enroll in any specific plan. Their goal is to work with you to help you arrive at a plan decision that is best for your needs and budget.

As you review this welcome kit and the enclosed documents, please reach out to a Benefits Counselor if you feel you need assistance. These individuals are ready to provide you with any help you may need during this process, or in the years to come.

# How can I learn more about my Medicare options?

In most cases, when a person enrolls, they will choose between these options.

**Use this chart to help you decide which option is right for you.**

<b>Step 1: Decide if you want</b>	
<b>Original Medicare</b> WITH MEDICARE SUPPLEMENT	<b>Medicare Advantage Plan</b> LIKE AN HMO OR PPO NETWORK
<b>PART A</b> (HOSPITAL INSURANCE) <b>PART B</b> (MEDICAL INSURANCE)	<b>PART C:</b> INCLUDES BOTH PART A (HOSPITAL INSURANCE) & PART B (MEDICAL INSURANCE)
<p>Medicare provides this coverage.</p> <p>You have your choice of doctors, hospitals, and other providers that accept Medicare.</p> <p>Most people pay a monthly premium for Part B. In addition, you will pay deductibles for services covered under Parts A and B and pay co-insurance for all Medicare-covered services.</p> <p>IN ADDITION, YOU MAY ADD A MEDICARE SUPPLEMENT POLICY TO YOUR PART A AND B MEDICARE COVERAGE.</p> <p>These plans are offered by private insurance companies that pay all or part of the deductibles and co-insurance with predictable out-of-pocket expenses.</p> <p>Note: You can enroll in either a Medicare Advantage Plan that offers prescription drug coverage as part of the plan, or a Medicare Supplement policy and a free-standing prescription drug plan.</p> <p>No network restrictions, as long as the provider accepts Medicare.</p>	<p>Private insurance companies approved by Medicare provide this coverage.</p> <p>In most plans, you need to use approved network doctors, hospitals, and other providers or you will pay more.</p> <p>You pay a monthly premium (depending upon the plan), your Part B premium, and co-payments for covered services.</p> <p>Costs, rules, and coverage beyond what's covered in Medicare Parts A and B will vary by plan.</p> <p>Note: If you join a Medicare Advantage Plan, you cannot have a Medicare Supplement policy or enroll in a free-standing prescription drug plan.</p> <p>Normally you will see lower monthly premium costs, but higher out-of-pocket expenses when services are rendered.</p>
<b>Step 2: Decide if you want Prescription Drug Coverage (Part D)</b>	
<p>If you want this coverage, you must choose a Medicare Prescription Drug Plan.</p> <p>These plans are run by private insurance companies approved by Medicare.</p> <p>You must pay the monthly plan premium and drug co-payments.</p>	<p>Most Medicare Advantage Plans include prescription drug coverage (Part D).</p> <p>Generally, the prescription drug premium is included in your monthly Medicare Advantage premium. You will be responsible for co-payments and any other plan costs.</p>

# What other insurance options should I be considering to round out my coverage?

During your consultation with your licensed Benefits Counselor, he or she will review all of your benefits options with you, discuss your personal situation, and answer any questions you may have. Your Benefits Counselor will help educate you about additional insurance options available that you may wish to consider in order to make the best possible decision for you and your family.

## DENTAL INSURANCE THROUGH MERCER MARKETPLACE 365+ RETIREE:

Enrolling in dental insurance can be a cost-effective way to address the costs of annual exams and related services such as fillings and extractions. Dental insurance can play an important role in your health. Since people with dental insurance are more likely to visit the dentist, a solid insurance plan can help you maintain good oral health, which promotes your overall health.

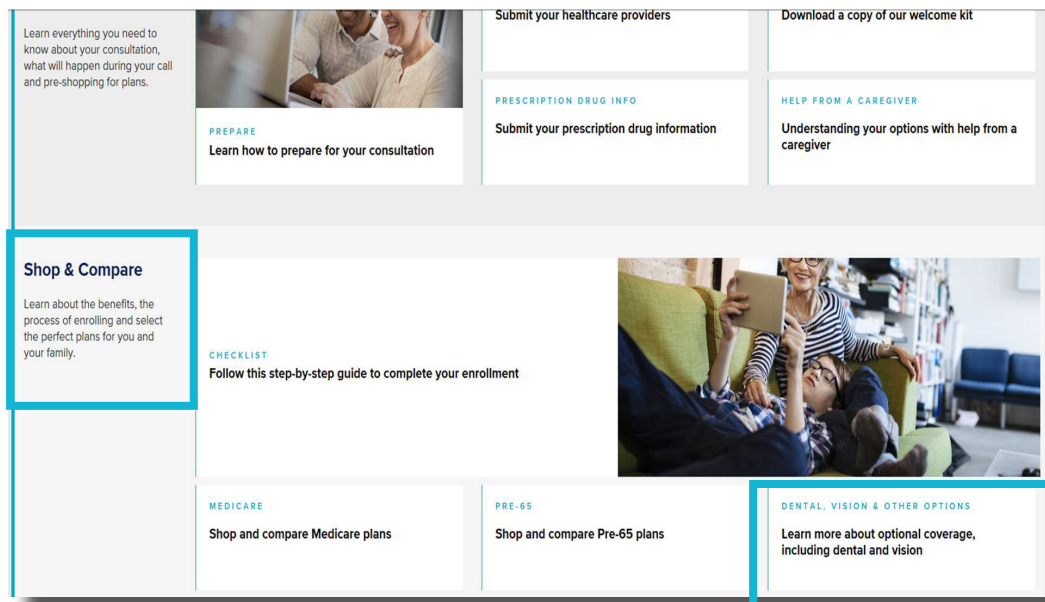

## VISION INSURANCE THROUGH MERCER MARKETPLACE 365+ RETIREE:

Vision insurance is a type of supplemental insurance that can help pay for yearly eyesight exams, glasses and/or contact lenses. With vision insurance, you will also have access to eye doctors who are focused on keeping your eyes healthy by detecting conditions such as glaucoma or cataracts.

You may go online to view your additional insurance options and enroll in a plan of your choice.

- Start by visiting the homepage at <http://retiree.mercermarketplace.com/comcastnbcu>
- Under the 'Shop & Compare' section, click on the box to the far right titled 'DENTAL, VISION & OTHER OPTIONS.' (Please see the areas in **blue** boxes below.) You may explore other insurance options such as Dental and Vision

## How does my RRA work and how will I be reimbursed?

Your former employer is providing a Retiree Reimbursement Account (RRA) for their retirees and eligible dependents. This RRA may be used for reimbursement of healthcare premiums as defined by your former employer. Because Mercer Marketplace 365+ Retiree is administering your RRA reimbursements, you have one point of contact to call for all of your insurance and reimbursement needs.

Once you select your new plan(s), you will first pay your premium(s) directly to your insurance carrier(s), then you will be reimbursed by Mercer Marketplace 365+ Retiree with available funds from your RRA.

You must submit an eligible RRA claim annually to remain eligible. Failure to complete this step will result in permanent loss of eligibility for the RRA.

Please review the enclosed RRA Instructional guide for a detailed explanation of how to utilize your RRA.

## What type of assistance is available to me after I enroll?

### **We are here to help beyond your initial enrollment**

Once you have enrolled in medical plan through Mercer Marketplace 365+ Retiree team, your licensed Benefits Counselor is available to provide assistance with any healthcare plan related matter. If you have questions about your plan or a claim, or problems resolving an issue with a carrier, help is just a phone call away.

### **What to expect in the years to come**

Typically, if you like your healthcare plan(s), and the carrier continues to offer the plan(s), you do not need to re-enroll each year. However, there are a few things you will need to consider each fall:

- We will send you a reminder that the Open Enrollment Period is approaching, along with information on your RRA. If you do wish to make a new healthcare plan election, keep in mind the Medicare Open Enrollment Period is October 15–December 7.
- By law, your insurance carrier is required to send you information about plan or pricing changes. Please be certain to open, review, and save all of this documentation.
- If you are considering making a change to your healthcare plan, please be certain to contact a Mercer Marketplace 365+ Retiree Benefits Counselor BEFORE making any changes on your own. There are implications you will need to consider, and our licensed Benefits Counselors are trained at making sure you understand these prior to enrolling in a new plan.

## Where can I find answers to additional questions I may have?

We recognize your health plan choices and costs are important to you. If you have questions, we encourage you to reach out to your Benefits Counselor to understand more about this transition. Below you will find answers to many questions frequently asked by retirees and their dependents.

### HOW WILL I OBTAIN MY NEW HEALTH INSURANCE?

In order to help you find the plan that best fits your needs and budget, your company has partnered with Mercer Marketplace 365+ Retiree to guide you through the process from beginning to end. Mercer Marketplace 365+ will be your single point of contact for health and prescription drug insurance issues — before, during and after the transition to your new RRA.

### HOW WILL I PAY FOR MY NEW HEALTH INSURANCE?

You will now pay your premiums directly to the insurance carrier for your retiree healthcare coverage and you will be reimbursed monthly by Mercer Marketplace 365+ Retiree from your RRA. You can be reimbursed for your premiums via direct deposit into your bank account or a paper check. Please refer to the enclosed RRA Instructional Guide for additional details about your RRA.

### WILL I BE REQUIRED TO CHOOSE A NEW DOCTOR?

It depends on the health insurance strategy that you choose. Medicare Supplement plans allow you to choose any doctor that accepts Medicare, while Medicare Advantage uses networks of doctors who accept only certain plans. Your Mercer Marketplace 365+ Retiree Benefits Counselor will help you find a plan that works with your doctor.

## Where can I find answers to additional questions I may have? *continued*

### HOW LONG WILL THE APPOINTMENT WITH MY BENEFITS COUNSELOR LAST?

In general, you'll spend about 60 to 90 minutes on the phone speaking with your licensed Benefits Counselor. The length of the call will depend on whether you enroll that day or want to include a family member or caregiver, or a power of attorney on the call. The length of your appointment will also depend on how much preparation you wish to do in advance.

Remember, your licensed Benefits Counselor is an excellent resource and will take as much time on the phone or in a future conversation as you need to feel comfortable with your enrollment decision.

If you go online to the Mercer Marketplace 365+ Retiree website prior to your consultation to enter your prescription drugs, your appointment could be much shorter. See the checklist in this welcome kit for details on how to prepare for your call.

### IF I NEED ASSISTANCE WITH ENROLLING, CAN SOMEONE SPEAK WITH MY BENEFITS COUNSELOR ON MY BEHALF?

If you complete and sign a Personal Information Authorization form, anyone listed on the form can assist you with your plan information and/or selections. However, a durable Power of Attorney (POA) document must be on file at Mercer Marketplace 365+ Retiree for anyone but the retiree to enroll in healthcare coverage. Anyone who is listed on the durable POA can act on behalf of the retiree in all insurance capacities, including RRA paperwork.

# Where can I find answers to additional questions I may have?

## IF I LIKE THE BENEFITS COUNSELOR I HAVE MY CONSULTATION WITH, CAN I REQUEST THAT SAME PERSON AGAIN?

The person you enjoyed dealing with before may not be available due to other scheduled appointments when you call. Every Benefits Counselor must, by law, be licensed, certified, and appointed to talk with you about the plans in your specific geographic area.

Please be assured that if you can't reach the Benefits Counselor you request, all of your information is available in our secure system, and another Benefits Counselor will be able to assist you or you can ask to speak with your requested Benefits Counselor.

## DO I NEED TO ENROLL IN MEDICARE PART B?

Yes, in order to qualify for a Medicare Supplement or Medicare Advantage plan, you must be enrolled in both Medicare Part A and Part B, and continue to pay for those premiums.

## DO I NEED TO ENROLL IN A MEDICARE PART D PLAN?

Medicare recommends that you enroll in a plan when you are first eligible, both to gain access to discounted prescriptions and to avoid Medicare's permanent late enrollment penalty.

# ? Where can I find answers to additional questions I may have? *continued*

## WILL MY NEW COVERAGE COVER ME IF I TRAVEL?

When traveling domestically, as long as a hospital, clinic, or doctor accepts Original Medicare, Part A, and Part B, healthcare providers will accept your Medicare supplement plan. For Medicare Advantage plans such as HMOs and PPOs, there will be network restrictions when traveling outside of your plan's area. Your licensed Benefits Counselor can provide additional details on healthcare benefits while traveling during your consultation or at any point throughout the year.

## IF I DON'T LIKE THE PLAN I'M ENROLLED IN, WHEN CAN I CHANGE?

Medicare supplement plans can be changed at any point during the course of the year, but may require underwriting to do so. There is a one-time window of guaranteed insurability after your initial enrollment into Medicare or after you leave a terminating group plan. After that window closes, carriers may ask you underwriting questions if you are changing your plan. Each carrier has its own rules, so **it is important to discuss any changes you may wish to make with your licensed Benefits Counselor.** There is no medical underwriting for changing Medicare Advantage plans, however, Medicare Advantage and Medicare Advantage Prescription Drug plans only accept enrollments during the Annual Enrollment Period (October 15th–December 7th) for a January 1st effective date. Additionally, Part D prescription drug plans can only be changed during the same Annual Enrollment Period for a January 1st effective date.

# What information do I need to provide?

## HEALTHCARE PROVIDER INFORMATION

**YOUR NAME** \_\_\_\_\_ **PHONE** \_\_\_\_\_

Please list your current healthcare providers below. Some healthcare plans like HMOs and PPOs use networks. Gathering your healthcare providers' information here will help your Benefits Counselor compare access to your current providers. You may also contact your providers and ask them which plans they accept.

### CURRENT HEALTHCARE PROVIDERS (PRIMARY CARE, SPECIALISTS, ETC.)

Name	Address	Phone Number

## PRESCRIPTION DRUG INFORMATION

In order to construct an accurate cost analysis, we will need your complete and correct drug information. For example, it is important to indicate the name of the drug that you are taking, and whether you are taking a BRAND or GENERIC version. Please note, over-the-counter medications, vitamins, and supplements are not covered by prescription drug plans and therefore are not required on this form.

### CURRENT PRESCRIPTIONS, DOSAGES, FREQUENCY AND WHERE/HOW YOU OBTAIN THE MEDICATION

Medication	Dosage	Frequency	Pharmacy or Mail Order

Please complete one form per person. If you have additional healthcare providers or prescription drugs to share with your Benefits Counselor, please make a copy of this page (prior to completing) and use it to record your additional entries.

The insurers whose policies you may enroll in are separate and independent from Mercer Marketplace 365+ Retiree. Mercer Marketplace 365+ Retiree is not responsible for any insurer's or service provider's failure to provide coverage or service, including but not limited to any failure resulting from the insurer's or service provider's current or future financial condition or solvency. From time to time, insurance companies may become insolvent and fall into receivership with the state's insurance regulatory authority. In addition to potential access to state guarantee funds, these state departments also may provide financial information. See your state's department of insurance website for any information they may provide. While each state does impose its own minimum capital and surplus requirements on insurers, Mercer Marketplace 365+ Retiree also advises that you consider the ratings of an independent agency. Independent agencies, such as A.M. Best ([www.ambest.com](http://www.ambest.com)), may also issue ratings describing their evaluation of an insurer's financial ability to honor its insuring obligations. Insurers receive different ratings. Some insurers available to you fail to achieve the agency's rating for superior or excellent. Mercer Marketplace 365+ Retiree recommends that you carefully consider financial information provided by both state insurance regulators and independent rating agencies when purchasing insurance coverage.
