UNDERSTANDING THE PROCESS

Our objective is to assist you in getting reimbursed for your eligible expenses as quickly and easily as possible. Below is an overview of the reimbursement process that is covered in more detail within this guide.

STEP 1

You pay for your eligible insurance premiums or health expenses to your insurance carrier or healthcare provider

STEP 2

You determine how you want to receive your reimbursements

STEP 3

You request reimbursement from your subsidy account

STEP 4

Mercer reviews your claims and, if approved, reimburses you from your available subsidy account balance

STEP 1: YOU PAY FOR YOUR ELIGIBLE INSURANCE PREMIUMS OR HEALTH CARE EXPENSES

- Remember, you first pay your premiums to your insurance carrier(s) and healthcare expenses as they are incurred, and then are reimbursed for your eligible expenses
- You arrange the method and frequency of premium payments directly with your insurance company
- For all eligible expenses, save all receipts and supporting documentation to include with your reimbursement claim. To learn which expenses are eligible, please see page 7

STEP 2: You determine how you want to receive your reimbursements

- Direct deposit
 - You may enroll in direct deposit online by visiting the subsidy portal or by completing the direct deposit form enclosed with this mailing
 - **Direct deposit is faster and more convenient**—your reimbursements will be sent directly to your designated banking account
 - **NOTE: Direct deposit may take up to 30 days to activate, which means your first reimbursement after enrolling in direct deposit may be mailed in the form of a check**
 - Physical check
 - If you do not enroll in direct deposit, you will receive a mailed physical check to the address we have on file
-

STEP 3: YOU REQUEST REIMBURSEMENT FROM YOUR SUBSIDY ACCOUNT

- You request reimbursement from your subsidy account with supporting documentation
 - For eligible premium expenses, you may have the option of Automatic Premium Reimbursement, depending on your insurance carrier and always have the option of Recurring Premium Reimbursement
 - Please see the following pages for more detail on the reimbursement types and supporting documentation required for each option
-

STEP 4: MERCER REVIEWS YOUR CLAIM AND, IF APPROVED, REIMBURSES YOU FROM YOUR AVAILABLE SUBSIDY ACCOUNT BALANCE

- Once your request has been received, Mercer Marketplace 365+ Retiree will review your legally required supporting documentation and determine if the claim is in good order
- If approved, you will receive payment by either direct deposit or a check in the mail, depending on how you have elected to receive your reimbursements (Step 2 above)

ELIGIBLE EXPENSES FOR REIMBURSEMENT

STEP 1: UNDERSTAND YOUR SUBSIDY ELIGIBILITY REQUIREMENTS

The funds provided in your reimbursement account can be applied toward expenses incurred while you are eligible for your funding program.

STEP 2: UNDERSTAND WHICH REIMBURSEMENT TYPE TO USE

Once you understand the eligibility requirements for your subsidy you can select how to receive your reimbursement. Mercer Marketplace 365+ Retiree offers **three types** of reimbursement options for eligible healthcare expenses:

- 1. Automatic Premium Reimbursement (APR)**
- 2. Recurring Premium Reimbursement (RPR)**
- 3. One-Time Reimbursement**

Please read through each type below so you can understand the action you should take for your reimbursement claim for eligible expenses.

Automatic Premium Reimbursement may not be an option for all carriers and policies.

What eligible expenses are you submitting and what type of reimbursement is available?

ELIGIBLE EXPENSE	REIMBURSEMENT TYPE

Claim submission deadline	Claims can be submitted through March 31 st (post-marked) of the next calendar year

* List of Automatic Premium Reimbursement carriers and plans is available on your subsidy portal or by calling Mercer Marketplace 365+ Retiree.

** As allowed by IRS Code Section 213(d); see IRS Publication 502 (www.irs.gov/pub/irs-pdf/p502.pdf)

Please note: One-Time Reimbursement is available for premium expenses, but is not encouraged. Automatic Premium and Recurring Premium Reimbursements are the most convenient methods for all premium expenses.

You will also find information on eligible expenses under your former employer’s plan rules. You will locate this under the ‘Plan Information’ tile on the online portal dashboard.

AUTOMATIC PREMIUM REIMBURSEMENT

When to use	<p>You have this option for your medical and/or prescription drug premium reimbursement if:</p> <ul style="list-style-type: none">• You have enrolled in a qualifying plan through Mercer Marketplace 365+ Retiree• Your carrier allows for Automatic Premium Reimbursement; see the list of participating carriers and plans on the online portal or contact Mercer Marketplace 365+ Retiree via phone to inquire
How it works	<ul style="list-style-type: none">• You must opt-in to Automatic Premium Reimbursement by phone with the help of a benefits counselor• Mercer Marketplace 365+ Retiree receives confirmation from your carrier that you have paid your premiums• After this confirmation, you are automatically issued a reimbursement for your paid premiums on the next available payment date• Your opt-in election applies for as long as you remain enrolled in your eligible plan, even if your rate changes• There is no need to file a reimbursement claim unless you dis-enroll from the eligible plan either voluntarily or involuntarily, OR the carrier no longer allows for Automatic Premium Reimbursement
How to Opt-In	<p>You may establish your Automatic Premium Reimbursement election by phone with the help of a benefits counselor. Once you have opted in, there are no forms to complete. If you later choose to opt-out of this reimbursement type for any reason, you must do so over the phone through a benefits counselor.</p>
When to expect reimbursements	<p>Reimbursement timing may vary and depends on when you pay your premium and when your carrier reports that information to Mercer. Your first reimbursement may take 6 to 8 weeks to arrive but that timeframe is not guaranteed. The timing generally becomes more regular after your first reimbursement. The reimbursement that you are eligible to receive is based on your available account balance at that time.</p>

Keep in mind

- This option does not provide the fastest method of reimbursement, but it provides the convenience of being automatically reimbursed without submitting any documentation and continues as long as you remain enrolled in your plan with no required action on your part
- Automatic Premium Reimbursement is available only for certain carriers and plans

If you have elected to have your premium deducted from your Social Security check, Automatic Premium Reimbursement is not advisable.

If you have selected Automatic Premium Reimbursement as your reimbursement type, please **do NOT** send in a request for a different type of reimbursement for the same claim – this may cause additional delays. You must first opt-out on the phone with a benefits counselor before selecting a different reimbursement type.

RECURRING PREMIUM REIMBURSEMENT

When to use	<p>This option is available for any eligible premium expense.</p> <ul style="list-style-type: none">• You should only choose this option for your premium reimbursement if you have NOT established an Automatic Premium Reimbursement claim for the premium expense
How it works	<ul style="list-style-type: none">• You submit a Recurring Premium Reimbursement request along with supporting documentation• Once your premium request is approved you will receive recurring, monthly premium reimbursements for the calendar year• You will only submit one request for each calendar year, however, if your premium rate changes during the calendar year you must submit a new request with new supporting documentation• If you cease making premium payments during the year, you must contact Mercer Marketplace 365+ Retiree to end the Recurring Premium Reimbursement
Submitting a claim	<p>You may submit a Recurring Premium Reimbursement claim by using your subsidy portal or the paper form located in the back of this guide.</p>
Documentation required	<p>All Recurring Premium Reimbursement claims require third-party documentation showing proof of expense and coverage, and must include the following information:</p> <ul style="list-style-type: none">• Covered participant's name• Premium type• Proof of coverage, typically in the form of a letter you receive from your insurance carrier, that includes carrier name, policy effective date and monthly premium amount – refer to the 'Resource Center' tile on the online subsidy portal for tips and examples to ensure you provide the right documentation the first time to avoid any delays in reimbursement <p>If Medicare Part B premiums are eligible for reimbursement and deducted from your Social Security check, you may use the Social Security Benefit Award Letter issued by the Social Security Administration (SSA) each year, typically mailed during the month of October or November, as your third-party documentation.</p>

When to expect reimbursements

Approved claims will be reimbursed once per month. The reimbursement that you are eligible to receive is based on your available account balance at that time. The 2021 RPR reimbursement dates are:

FREQUENTLY ASKED QUESTIONS

Where can I find information about my account balance or the status of my claims?

The dashboard on your online subsidy portal is a “one-stop shop” for information about your claim reimbursements. Navigate to the website address shown on the bottom of each page of this guide and then scroll down to the ‘File a Claim’ section where you will find a link to your subsidy portal. You will be prompted to log in and after doing so you will be automatically directed to the dashboard. To see the status of your claims, select the ‘Claim Status’ tile. If you want to review your account balance or see your processed payments, click the ‘Account Balance’ tile. You can file claims online, sign up for direct deposit, and find ‘Important Information’ and helpful resources from the dashboard.

How do I reset my subsidy portal access?

On the login screen, select ‘Forgot Password’ or ‘Forgot Username’ and if you have a valid email address on file, an email will be sent. If this occurs you will be able to reset your access yourself. If you do not have an email address on file, you will need to call the Mercer Marketplace 365+ Retiree contact center

How do I find the list of carriers participating in Automatic Premium Reimbursement?

Log in to your subsidy portal and select the ‘Important Information’ tile. Select the Automatic Premium Reimbursement Carriers option or call a Benefit Counselor for a list of participating carriers.

How long will it take for my claim to be paid?

Because of the high volume of claims during the first part of the calendar year, it may take longer for your initial reimbursement to be processed and paid. Once your Recurring Premium Reimbursement claim is established, you will be reimbursed based on the calendar in your portal.

If my claims states ‘Claim Ready for Payment’, when will I receive my payment?

The ‘Claim Ready for Payment’ status indicates the claim has already been processed for payment and you will be paid on the next payment date (most likely the next Friday). Note: if you have not selected direct deposit, please allow an additional 5 to 7 days for a physical check to be received in the mail.

Why are some claims paid partially and not in full?

If the balance available is less than the claim amount, the claim will be partially paid and the remaining claim request will be “pended.” When more funds accrue (the start of the next month), the remaining reimbursement will pay out. Pended claims pay out first and could result in more than one payment in a given month. Only payment **amounts** will be adjusted based on available subsidy funds. The claim amount itself will not be adjusted.

What if I have not received the necessary documentation for my premium from my insurance carrier?

Contact your insurance carrier and request a document that contains: the covered participant’s name, plan type (health prescription drug, dental, vision), start date of your new policy, monthly premium amount, and name of insurance provider.

What if I have not received my Social Security Benefit Award letter to use as third-party documentation?

For lost documents, you may request a "Proof of Income" letter by contacting the Social Security Administration at 1-800-772-1213 (TTY 1-800-325-0778) or www.ssa.gov.

If I submit paper claim forms, who needs to sign them?

The Power of Attorney (POA) paperwork has to be provided to Mercer and approved. The account holder or POA must sign all claim forms prior to submitting for reimbursement. The account holder may be the retiree or spouse, depending on your plan's rules. Refer to the cover letter included with this guide to confirm who is the appropriate account holder. Unsigned forms will delay your reimbursement.

What do I do if my reimbursement claim request is pended or denied?

If your reimbursement claim request is pended or denied, you will receive a letter in the mail stating the reason for the denial with instructions on next steps you can take.

How long do I have to submit previous year claims?

Please reference the Eligible Expenses for Reimbursement section in this document.

What happens if there is a payment error?

An underpayment or overpayment may occur due to an administrative error or if you are mistakenly reimbursed for an expense that you were not eligible to receive. If you have an unresolved payment issue, Mercer will contact you after the occurrence. In order to resolve a payment error, please contact Mercer to speak with a representative about your options.

What should I do if a beneficiary becomes incapacitated or deceased?

Mercer is here to help. Authorized caregivers should contact Mercer for guidance on any remaining subsidy balance for a deceased or incapacitated beneficiary.
